

The 2025 STEM Innovation Forum

The Forum will engage stakeholders across the STEM education and workforce development ecosystem. Leaders from industry, government, educational institutions, nonprofit organizations, and STEM networks will have unmatched opportunities to collaborate to advance a diverse, robust and sustainable STEM workforce across the U.S.

Columbus, OH

Monday, November 17th and
Tuesday, November 18th

Sponsorship Opportunities

With approximately 200 thought-leaders across the STEM ecosystem in attendance, a Forum sponsorship affords the following benefits:

- Amplified positioning as a thought-leader in the STEM education and workforce development arena.
- Elevated branding as an employer of choice for diverse STEM talent.
- Recognition as a key partner and collaborator in the STEM ecosystem.
- Curated connections across a premier network of dedicated professionals working to advance a diverse, robust and sustainable STEM workforce.

Overview of the Day

Each day of the two day event will include a combination of keynote speakers, panel discussions and breakout sessions. Session topics are likely to include: strategic partnerships, work-based learning, up-skilling and re-skilling, postsecondary pathways, and others.
